#### Europe in Path of Epidemics

Los Angeles Doctor Tells of Death and Misery in Soviet Land

War Would Loose Flood of Diseases, Commission Report Shows

Should Russia engage in war in support of the Lithuanians as she threatens and involve Europe in another struggle the epidemics and pandemics to typhus, cholera, smallpox and malaria now more or less confined to the land of the Bolsheviks would be broadcast in Europe and bring about the greatest plague Europe has known since the Dark Ages.

This is the conclusion to be drawn from the health report of the National Information Bureau, New York City, made public here for the first time yesterday by Dr. H. O. Eversole of Los Angeles, who was the medical member of the bureau's commission that reported on the second page.

### PEPERS IN SAN QUENTIN

#### TERRORIZE HUGE PRISON

##### Two Convicts Victims of Scourge of Asia But Cannot be Removed; Every Precaution Taken

BY HALLIETT AREND  
City Editor of "The Times"  
(EXCLUSIVE DISPATCH)

SAN FRANCISCO, Feb. 23.—Sheer terror stalks by night and day about the corridors and court yards of San Quentin. And it invades the cells of more than half the prisoners at night, shakes the courage and balance of 2600 men and women who face years of imprisonment, of men who are calloused to seeing their fellows immured in the death cells.

The inmates of the penitentiary have learned that two of their fellow-prisoners are lepers, and with or without reason, they fear the contagion of the world's most terrible disease.

By means of that strange wireless system by which prisoners communicate a system proceeding radio by many centuries, the news is spreading that a Chinese life-termer from San Francisco and a Mexican life-termer from Los Angeles are both admittedly lepers.

Every reasonable precaution against the spread of the disease is taken by the prison authorities, but prison gossip has distorted the facts until the inmates of San Quentin fear that their prison may be changed from a house of correction and punishment into a veritable leper house.

This morning I saw and talked with many of the prisoners, none of whom can be quoted. Those of them who talked frankly did so in the absence of guards, and only on condition that their names be not used. All of them confirmed the fact that a morbid fear of leprosy is spreading through the cells and buildings because it has become generally known that Lin Fook, a murderer sent there for life from San Francisco in December, 1921, is a victim of tubercular leprosy.

FACTS ARE ADMITTED

Armed with this fact I sought an interview with Warden V. A. Johnston. "Have you an authentic case of leprosy among your prisoners?" I asked.

The warden did not hesitate. "We have two cases," he said. "A Chinese from San Francisco, named Lin Fook, and a Mexican from Los Angeles. The latter's name is Blasillo Guerra. Both are life-termers, sentenced for murder."

Warden Johnston lifted the receiver of his desk telephone and pressed a button. "Please have Dr. Stanley come to my office at once," he ordered.

The warden and I talked of general topics until the resident physician arrived. He stated at the fact that now fully 50 per cent of the prisoners are under 30 years of age—that 250 of these are not yet 21. We discussed the weather, the fog which shrouded San Quentin Point, the need of more buildings for the penitentiary.

In walked Dr. Stanley, the young physician in charge of the prison hospital, the man who is responsible for the health of the prisoners, and who just now has his hands full with an epidemic of influenza.

"Yes," said Dr. Stanley, "both Lin Fook and Guerra are undoubtedly lepers. Lin Fook was known to be a leper when he was committed to the prison by the judge who sentenced him, about fifteen months ago. Guerra, I think, contracted the disease when he was being tried in Los Angeles in 1921. He was sentenced to hang, but his sentence was commuted by Governor Stephens because there was some doubt as to whether he could have pulled the triggers of the gun with which his victim was shot."

"You see, when he arrived here the fingers on his left hand were missing. He said he lost them when they were immersed in liquid-hot iron. It is a fact, of which he had lost his fingers because of leprosy—the fingers had become putty-like and had dropped."

### HOODWINK PRESIDENT

#### Inside History of Subsidy Bill

##### Leaders' Support of Measure Weak-Kneed; Defeat Was Expected

BY ROBERT BARRY  
(EXCLUSIVE DISPATCH)  
(Copyright, 1923, Public Ledger)

WASHINGTON, Feb. 23.—The true story of the Senate filibuster was disclosed tonight. It was that the administration ship subsidy bill was dead. Republican ranks were broken and all but routed tonight. After dinner sessions were abandoned. Instead of another session to wear out the talkers against time, the administration leadership brought about an adjournment at 8 o'clock. The fact of an adjournment instead of a recess was in itself significant. It marked the beginning of the end.

SENATORS TALK FRANKLY

Senators talked frankly to one another at an executive session this forenoon. Democrats disclosed their real purposes. Republicans acknowledged their patent difficulties. Assembled for the supposed purpose of confirming nominations of a few unimportant postmasters that executive session developed a candid understanding of the legislative situation in the Senate. The 6 o'clock adjournment was agreed to by the Democrats for the transaction of other business.

Behind the scenes there was something of a jollification among Republican leaders. They never had believed for a moment since November that the subsidy bill had any outside chance of passing the Senate. They had tried in vain to persuade President Harding of that fact. He refused to believe. He listened to Albert Leffer and Senator Jones. They were so "solid" on the merits of the shipping bill that they dared not doubt. But now they were free to express their opposition to encompass its defeat without a roll call. The Senate leaders stood pat. They said the President had no right to force a ship subsidy before he ever heard of it, yet they knew Senatorial tactics better than had any years in that body seemed to have advised him.

NO SPECIAL SESSION

Now the Republican leaders are willing to let the filibuster run along indefinitely. By that they mean until Tuesday or Wednesday of next week. They have won their fight against a special session of the new Congress. They have cut through all the appropriation bills, Senator "Pat" Harrison and "Tom" Heflin have aided them. The Democratic speech artists have attractive chauntiques contracts for the summer. President Harding is advised now of the true situation. He is aware of, if not reconciled to the collapse of his fight for a ship subsidy which he holds to be essential to the commercial development of the United States. The only comment issuing from the White House is that Mr. Harding is willing to leave decision on the Senate filibuster to the people themselves.

This means more than it would seem to imply. It means not merely that the President believes the country disapproves of the Senatorial privileges of unlimited discussion. It means he probably will summon the new Senate in special session March 5, for a revision of the rules so as to permit a majority to transact business, instead of being impotent before a talkative minority. It means furthermore he will undertake to tell the country—especially the Middle West—of the nation, particularly its agricultural elements, had been set back by failure of Congress to act.

### WAR PROBLEM PRAISED

#### Ebels Highly Gratified Over Efficiency and Merit in Tactical Maneuvers

BY LINTON WELLS  
"Times" Staff Correspondence

SAN FRANCISCO, Feb. 23 (By Naval Radio).—Admiral Ebels was highly pleased today with the result of the fleet maneuvers in the problem of attack on the Panama Canal, and something to be proud of. But to Admiral Ebels' staff must go the credit, for only through unremitting effort was the money and fuel oil hoarded to make the trip possible, and the morale of the men kept up.

MORALE HIGH

Never in my life have I seen such instantaneous response to orders, such unhesitating obedience, such readiness as was exhibited during the battle problem. During the last hour of the problem the enthusiasm of the fleet was growing when the fleet was passing through the submarine-infested waters. Then every vessel in the fleet was ready.

(Continued on Second Page)

### ORDER RUHR WORKERS TO WRECK UTILITY PLANTS

#### Those Who Work for French Will be Punished, Says Berlin; Deaths Increase

(BY CABLE AND ASSOCIATED PRESS)

ESSEN, Feb. 23.—Extra precautions to guard public utilities throughout the Ruhr have been taken by the Franco-Belgian authorities because of an order issued by Gen. Wilhelm Groener, German Minister of Transportation, to the striking railroad workers to cut off gas and water and electric light power wherever possible.

According to information in the hands of the French intelligence staff the strikers have been given a peremptory order to perpetrate acts of sabotage of this kind immediately at various points so as to hinder in every conceivable way the forces of occupation.

CUSTOMS HOUSES SEIZED

The German customs houses in the Ruhr were taken over today. The German officials being replaced by customs officers from France. Gradually all the German customs houses in the occupied area are to be let out, and in a few days the French and Belgian customs will be in complete control. No serious incidents arose over today's procedure. At Spier, however, the German customs chief refused to vacate his office. He was arrested by French guards and taken to a prison.

### SHIP BILL'S DEATH SEEN IN SENATE

#### Foes' Filibuster Ended by Agreement; Experts Voted on Recommendation

(EXCLUSIVE DISPATCH)

WASHINGTON, Feb. 23.—The ship subsidy bill is considered "good as dead" even by its supporters as a result of an agreement made behind closed doors today by the contending forces in the Senate. Under the agreement an armistice in the filibuster war has been arranged by which the Senate will adjourn to 8 o'clock tonight and tomorrow give two hours consideration to the bill. Tomorrow night and all indications are that the "anti-ship" vote is expected to be taken not later than tomorrow night and all indications are that the "anti-ship" vote will succeed in burying the measure.

CLIFTONVILLE MINERS GIVEN PRISON TERMS

(EXCLUSIVE DISPATCH)

WELLSBURG (W. Va.) Feb. 23.—Sentence of three years each in Moundsville Federal Prison were imposed on thirty miners today after their plea of guilty to indictment of conspiracy in the Cliftonville strike riot which cost the lives of Sheriff Duval and six of the attacking party.

### LIQUOR RULE BROKEN BY FILIBUSTER

#### Whisky and Oratory Flow Together in Senate as Hours Drag By

(EXCLUSIVE DISPATCH)

WASHINGTON, Feb. 23.—The strain of the filibuster which has been in progress in the Senate for five consecutive days is getting on the nerves of Senators who must either be on the floor or close at hand in the cloakrooms or committee rooms for many weary hours during the interminable debate. It has developed irascible tempers and frayed nerves.

The strain of long hours and the marathon debate has made some of the Senators feel the need of stimulation, and despite the rule recently promulgated by Senator Curtis, chairman of the Senate Rules Committee, against the bringing of liquor into the Senate and of the Capitol, it has not been "dry" this week. There have been suspicious looking processions of Senators toward certain committee rooms and cloakrooms, where they have been heard to murmur that they were going to get a drink.

On the last roll call last night an unusual spectacle was witnessed in one of the main corridors of the Capitol, as a dry Senator from a western State wrestled back and forth with a brother Senator who was trying to prevent his going on the floor to answer his name while during the interminable debate. The Senator who was exerting his kindly offices and physical strength to keep his colleague from reaching the floor and making a spectacle of himself appeared to be sober, or at least sufficiently so as to be a good care-taker for his dry colleague from the West.

The inebriated Senator was finally dragged bodily into one of the committee rooms on the ground floor of the Senate and the lights were turned out. The door closed, he was heard protesting vehemently that he be allowed to answer the roll call. Fortunately for the peace of the Senate, Representative Upshaw, the "evangelist Congressman," who has been recently kicking up a row about public officials drinking, was nowhere in sight.

GIVEN STIFF FINE

(LOCAL CORRESPONDENCE)

SANTA ANA, Feb. 23.—Mike Mahan of Huntington Beach was fined \$100 and placed on three years' probation today by Superior Judge J. B. West. Mahan pleaded guilty to driving an automobile while under the influence of liquor.

### STAGE SET FOR NEW WAR

#### Poles and Lithuanians Ready to Jump at Each Other's Throats; Reds in Background

(BY CABLE—EXCLUSIVE DISPATCH)

WARSAW, Feb. 23.—It is reported that the Warsaw government is prepared to rush important reinforcements of Polish troops to the Orany zone to crush the Lithuanians if the harassing attacks continue.

Aviators and travelers from Russia assert that troop movements indicate that the Soviets are massing Red troops opposite the Lithuanian frontier with the evident intention of seizing the Dvinsk-Vilna-Gordno railway if hostilities develop.

Carton Dewart of the allied military mission has returned to Warsaw and will report on the situation in Lithuania.

Intermittent firing continues in the neutral zone. The Lithuanians are firing on Polish outposts.

Aviators signal that the Lithuanians have concentrated regular troops, supported by artillery, at Cuatry, near Orany.

The Lithuanians attacked Polish advance guards Wednesday night. The ninth regiment of Lithuanian infantry and three batteries of machine guns are located at Novyodor.

German officers are directing the Lithuanians, who continue to make forces on the frontier. The Polish section of the neutral zone is beseeching the Polish government for protection.

### PLAN RITES FOR BOY WHO KILLED HIMSELF

Pomona Youth Said to Have Been Despondent Over Love Affair

(EXCLUSIVE DISPATCH)

POMONA, Feb. 23.—The funeral of Joseph Gray Thomas, 22, son of Mrs. Mollie Thomas, 225 South Palomares street, who is asserted to have committed suicide at the home of Mrs. Armand Burdick, 170 East Center street, will be conducted at 2:30 o'clock Saturday at Hanson & DeBrows chapel. Dr. J. Hudson Ballard, pastor of the First Presbyterian Church will conduct the services. Interment will be in Pomona Cemetery.

The youth killed himself Thursday afternoon, police assert from despondency over disappointment in love with Miss Irma Hulizer of Watts, Cal. Letters from her seem to indicate this and also the fact that he had just written an epigram to her which was stamped and addressed ready for mailing just before the tragedy.

### OBSERVE ANNIVERSARY

Lions Hold Dance on Their First Birthday

(LOCAL CORRESPONDENCE)

HUNTINGTON PARK, Feb. 23.—The Lions celebrated their first anniversary last night in American Legion Hall, at which 150 couples gathered to spend the evening in dancing. During the early part of the evening time was taken up with community singing, after which a colored quartet from Los Angeles furnished music for dancing.

What do you think? Chapman's has opened a shop at 515 S. Western ave., just off Wilshire Blvd. Have you been in to taste their ice cream yet—to order one of their famous meringues, and welcome them into our midst? For Chapman's belonged originally in Minneapolis, though their reputation has spread through the country and now it is our privilege to claim them as our own. Their ice cream, made of purest whipping cream, is impossible to describe, its deliciousness must be noted by eating it. Do stop in and give your order for some of their sweets, at once, taking that opportunity to wish them the success which is certain to be theirs.

A newly-painted room works wonders frequently in giving us a refreshing change. It's like wearing a new blouse or frock—when every woman knows it is absolutely imperative every so often. Why don't you go out to see Horace H. Mann, 3411 S. Vermont ave., and select your wall paper from the large assortment carried in his most up-to-date establishment. Prices there will find extremely moderate, well within the means of every one.

You could make beautiful clothes for yourself and the children out of a very few yards of material if you own a White sewing machine. Buy one on time—why not?—and for payment each month makes it possible to do all your own sewing and have them pay for the machine out of the money saved. The display room is at 917 S. Broadway.

Stretching a carpet or rug which does not lie smoothly on the floor is helped wonderfully by wearing rubber-soled shoes along the wrinkles with the foot.

Burdick says that others may imitate the general appearance of Cloudy Ammonia, the label and the name, as clearly as possible, but nobody has yet been able to duplicate the quality of the genuine Domestic Cloudy Ammonia, which has been manufactured since 1885 by the Burdick Chemical Company for nearly twenty years.

If you have been one of the numerous victims of the "flu" which has visited old and young alike during the last month or two, there is every reason to believe you now are in need of building up, while convalescing. The best way to win back those cherished lost pounds is to get back your old pep in to increase the amount of milk you drink. L. A. milk, which is bottled with utmost care under most sanitary conditions, has become the "fad" of the hour. Women are becoming new customers by the score because they have found out that the milk is fresh, rich and always the same.

The best way to go about furnishing your living room is to put your belongings through a cross-examination and make them justify to you their right to existence in your most-used room.

Do you enjoy real Italian food? There is none better than that which is served at the 107 W. Market street, one-half block south of the postoffice. Their \$1.50 dinner are more in the nature of luncheon. Personal attention coupled with the best to be had from the grill place to the elimination of the connoisseur of food.

When washing glassware use borax instead of soda. This prevents any greasiness, and the glasses polish more easily.

Miss Mary would never have been contrary had she bought seeds at half price for her garden from Winsel-Gibbs, 211 S. Main. Think, remember, the planting time.

**MILK SPONGE CAKE**  
Two eggs, one cup sugar, six tablespoons hot milk, 1 teaspoon vanilla or lemon extract, one cup flour, one and a half teaspoons baking powder, one-eighth teaspoon salt.  
Beat egg yolks until thick; add half the sugar, beating continually; add hot milk, remainder of sugar and beaten egg whites; add flavoring; add flour and baking powder, which have been sifted together. Bake in ungreased tube pan in moderate oven about twenty-five minutes.

Have you ever heard of a "Trio-ulator"? Well, make a special trip to the Glen Rose Coffee Co., 215 W. 4th, and have one shown to you, for they make the most delicious coffee which actually retains its delicate flavor despite the fact that one teaspoonful of coffee is used to a cup instead of a tablespoon. Specially priced at \$2.50, by the way, which is a bargain!

Come now—don't you confess with a lot of enthusiasm, that Gold Medal Mayonnaise is absolutely delicious? None are satisfied with a dainty helping "Pile it on"—you are sure to remark when your salad is being served. That's because of the extreme care used in the making of Gold Medal. "Just enough of each ingredient" has resulted in a mayonnaise we never could hope to equal in the home-made kind. Now we may have it fresh every morning because Simon Levi Company daily supply all reliable grocers. Have you had your jar today?

Just by way of variety (delicious as well as delicious) have dinner at the Spanish Inn, 411 West Fourth. The table d'hôte dinner costs but 45 cents and consists of two Mexican dishes cooked to perfection! What a treat awaits you if you have never been there!

Almost every woman who keeps house has some pieces of tarnished or worn-off silver in need of replating. You can't clean them so they will look well, and the fault continues to grow worse. Now why not gather up such silver and call L. U. Greenard, 1145 S. Spring street. (1145 S.) His work is highly recommended because when returned it is better than new.

These are facts worth noting, worth heeding and worth remembering: "Frozen Steam" which you have heard about is actually a necessity for the woman who is wide awake and a thinker. Remember that it is purer than food itself, because pure "dry" sterilized steam is changed into frozen steam at the lowest possible temperature—namely 23 deg. below freezing—and this is what that means to you. The product thus made is longer, contains no impurities, germs or bacteria and when it melts, leaves your box entirely clean. The Merchants Ice and Cold Storage are the exclusive manufacturers of "Frozen Steam." Call them up, won't you, and just give this remarkable refrigerator a trial. You are certain to continue to be an enthusiastic customer.

For a light luncheon, "toasted cheese sandwiches and orange salad" go well together.

Remembering the golden rule and being desirous of having others profit by our gains, let's repeat for the benefit of winter visitors that Young's Markets handle only the best. Do you know why? Well here's the reason, the rich, dry foods on which steers are fed produce oil and fat; these oils and fats distributed evenly throughout the steers' tissues make tender, juicy, finely flavored meat, the kind you secure when patronizing Young's. Don't forget this, will you?

Fry a slice of ham. In the fat that's left in the pan, cook slices of apple about 1-2 of an inch thick. The tartness of these fried apple slices sets off particularly well the flavor of ham.

Figure this out for yourself: If the laundry comes once a week, your home is here for fifty-two days a year, almost two months out of the twelve, worse than wasted, for you have the annoyance of steam penetrating every room, meals to prepare for "Highness" and you know she requires much waiting upon and rarely can you leave the house when the washing and ironing is done. The time you and your self surrounded by the usual wash-day assortment, bundle them all up, give the Crown Laundry a "go" and see what relief you experience. They use soft water—no chemicals—and certainly give splendid service and satisfaction.

Use a plate-scraper for other things besides cleaning plates. They are much better than a spatula for cleaning bowls and pans which have held hard-baked, salad dressings, cream fillings and the like. They also may be used as a window drier for small glasses in windows, doors and bookcases.

Sometimes the mother of an exceptionally interesting list of young people permits her little ones to decide what they would like served for dessert. The majority wins naturally and quite often a lot of matrimony is caused. It's never a question of what they want for if you know children you realize that they demand ice cream—and Hughes, if you please. They will even shout out something like "Me for the yellow and white sign," or words to that effect. Then the flavor has to be selected, but as all are so good they finally draw straws. Hughes has stood the test for many years and is going right on gaining boosters who never grow tired of eating it day in and day out.

**SANDWICH FILLINGS**  
Moisten cream cheese with a little orange juice, season and add two teaspoons grated orange rind. Cooked fig paste and marshmallows. Melt the marshmallows in a double boiler and combine with the paste.  
Chopped raisins and nuts, or dates and nuts.  
Chopped ripe olives with mayonnaise; one-quarter cup olives to one cup mayonnaise. Drain the olives before combining.

Behave! doing "over" a breakfast room or even a dining room is a perfect lark when you use Frederick O'Brien's "Wardwood White Enamel Paint." Things come out so beautifully when this brand is used. Guess it's because it has a "look" better and wear "like iron." If you insist, your dealer will get it if he hasn't it at the moment.

## ALIEN PROPERTY BILL IS PASSED

House Approves Measure for Return Up to \$10,000

Large Majority of Holdings Would Be Freed

Legislation Sent to Senate With 300-11 Vote

(BY A. P. MONT WIRE.)  
WASHINGTON, Feb. 23.—The administration bill directing the return of as much as \$10,000 of each estate of former enemy aliens held by the Alien Property Custodian was passed today by the House. It now goes to the Senate.

The vote was 300 to 11, and came after the House had rejected amendments proposing restoration of all of the property; return of all of the property of Austrian nationals and the declaration of policy by Congress that all of the property would be restored ultimately.

Renewing before the final vote his effort to provide for the restoration of all the property held by the custodian, Representative Rayburn, Democrat, Texas, moved to recommit the bill with instructions to the various trusts, after the committee to add an amendment that would have that effect, but his motion was voted down, 181 to 154.

As the return of all the trusts of \$10,000 or less and a like amount of trusts whose value exceeds this amount, the bill would provide that all income according to the various trusts, after the measure became effective, should be repaid to the original owners of the property.

Col. Thomas W. Miller, Alien Property Custodian, estimated that this measure, if enacted into law, would divorce his office from custody of approximately 91 per cent of the individuals whose property has been seized. There would be returned, however, only about \$45,000,000 out of the \$247,000,000 estimated value of the property held. This total does not take into account the value of the German ships seized after America's declaration of war and now held by the government.

Patents to be returned under the bill would include only such as were not in litigation and not held by the War and Navy departments. This would exclude the goods of patents sold to the Chemical Foundation, for the recovery of which the government has instituted court action.

**RECEIVER COLLECTS MAJORITY OF ASSETS**

(BY A. P. MONT WIRE.)  
RENO (Nev.) Feb. 23.—A resolution was introduced in the State Senate at Carson City today by Fitzgerald of Nye county, requesting that the receivership of the State Bank and Trust Company be voted by the court in the State Bank Examiner. The resolution states that the receivership has lasted sixteen months, that the receiver has drawn \$25,000 in fees and that of the original assets only \$25,000 remains.

**EX-AMBASSADOR IS ILL WITH PNEUMONIA**

(EXCLUSIVE DISPATCH.)  
PHILADELPHIA, Feb. 23.—Charles H. Towse, former U. S. Ambassador to Germany and Russia, is in a critical condition with pneumonia.

**Baker's Cocoa**  
is the ideal drink for growing children  
Not only does its delicious flavor and aroma appeal to the palate but it supplies the body with a considerable amount of pure, wholesome and nutritious food.

Children, owing to their almost ceaseless activity, frequently require as large an amount of nourishment as adults, and good cocoa is a valuable aid in the carefully arranged diet. But its quality must be good and no cocoa can quite so well meet the requirements of dietitian, physician, nurse or housekeeper as "BAKER'S"

### ANSWERS TO CORRESPONDENTS

**R. F.:** There is no doubt that the green dye in the bloomers you and your sister wore, had arsenic in it, the same as Paris green. Arsenic will act as a great irritant to the skin and will also cause a general poisoning. I hope long before this letter is written you will have seen a doctor for the skin irritation you have experienced and he will have given you treatment. As the irritation has gone on to pimples you will have to use antiseptic preparations. However, I should not advise home medication in your case. You must see a skin specialist or your family doctor.

**"Dear Doctor:** "I want to tell you what cured me years ago of winter itch. Beech wood creosote, tan drops, glycerin, three ounces; rose water, three ounces. First bathe the parts with cold salt water. I used a cup of salt to two quarts of water. Let it dry on and apply the lotion. It relieved me from the first application and in a few days I was completely cured. Thank you very much, Mr. W. for the suggestion. This creosote is from the same family of drugs

as the carbolic solutions that I recommended.  
**Mrs. E. C.:** You say your children simply will not eat vegetables and they are undernourished. Looks as though you had failed as a disciplinarian somewhere along the line, doesn't it? Later you say that you yourself are underweight. Here is a little clue to your children's behavior. Children too often are influenced by what their parents like to eat and yours probably have been imitating you.  
This question of making the children eat the things that are essential, when they don't like them, is a problem.  
Serve the vegetables in as attractive a manner as possible, with cream sauce and perhaps decorate them with slices and rings of hard-boiled eggs.  
I think it is a good plan not to allow a child to have its favorite dish at the table until a certain amount of the foods it needs are eaten first.  
I wish some of the mothers who have overcome this difficulty would write and tell us how they have succeeded.  
The pamphlet on gaining has been sent you if you inclosed the

self-addressed, stamped envelope and 4 cents in stamps.  
**L.:** The menstrual periods are not apt to be regular the first year they start and ordinarily you need have no concern over their irregularity. The more you treat yourself as though the menstrual period was a normal function, which it is, the more normal it will be.

While it would not be wise to go in the ocean or take cold baths the first two days, you need not cease taking your hot baths. You also can continue your gym work, perhaps not quite so heavily as usual.  
We have an article on some which you can have by sending a self-addressed, stamped envelope to me. Do not squeeze pimples while they are forming. Apply once or twice a day a solution made of equal parts of camphor, gum and carbolic acid. Squeezing injures the tissue and gives the pus germs which cause the pimples a better ground to multiply in. After they come to a head they can be opened and the contents gently squeezed out. Then the area should be washed with hot water and some boracic acid solution put on it. But send a. s. a. e. and repeat your request for the article—that goes into the treatment more in detail.

**Monday—More Worms**  
(Copyright, 1921, by George Matthew Adams)  
**Ancient "Smokes"**  
Pipes of strange shape, said to be 500 years old, have been unearthed in Mesa Verde National Park, southwestern Colorado.

## There Is a Difference in Butter

Butter is like any other food product—the quality depends on the materials and methods used in making it. There are different grades of cream and different classes of creameries.

Where only the highest grades of cream and the highest type creamery are combined, you secure a butter that is far superior to the average. Considering flavor, food value and keeping qualities, it pays you to buy this better butter.

## BAKE Some Family Brick ice cream for dinner

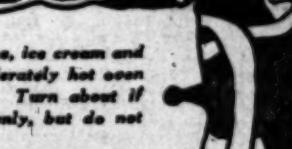

Take a "Family" Brick, unwrap, place on slice of Sponge Cake one inch larger than Brick, cover with meringue made of 4 egg whites well beaten, to which add pinch baking powder and six level teaspoons of sugar.

The balance of meringue may be placed in Pastry Tube and put on in ornamental style.

This whole block of cake, ice cream and meringue is run in moderately hot oven for about ten minutes. Turn about if necessary to brown evenly, but do not disturb meringue.

When delicately browned, send to table; serve in generous slices—ICY-COLD and STEAMING HOT—at once!

The thinking housewife who buys food-value instead of mere quantity, now orders both bulk and "Family" Brick Ice Cream as an essential ingredient for many wholesome dishes.

NOTE—On account of the rich quality, delicious flavor and firm freezing this dessert is made to the best advantage with "Family" Brick Ice Cream.

## Ice cream is a food

Mike Elwood Goes Wild in Distance Events

Johnson Takes Speedy 440 From Aden Hughes

U.S.C. Weight Men Exhibit Plenty of Class

The University of Southern California interclass track meet at Harvard-Field yesterday turned out to be a dual attack between the frosh and sophomores, with the former winning out, 75 to 53, as no lettermen were allowed to take part. The juniors were last with 1 point.

Mike Elwood won a place in the heart of Coach Dean Cromwell by capturing both the mile and two-mile runs in fast time. Elwood turned in a 4:46.4 mile and stepped the longer event in 10:35.5, but a few minutes later, Yale Marts and Otto Anderson were the only other athletes to grab two firsts.

"Biting" Johnson started his best friends by running a 440 in the speedy time of 1:04.4 seconds for the Harvard track, beating Aden Hughes to the worsted after an exciting race. Baird Ryder, former Hollywood High man, gave Oliver Cory a tough battle in the high jump. Both men cleared six feet, and Cory won at 6 feet 1 1/2 inches. Summary:

100-yard dash—Win by Marts (S.), 15.8 sec. (S.) second, Anderson (S.) 16.2 sec. (S.) third, Johnson (S.) 16.5 sec. (S.) fourth, Hughes (S.) 16.8 sec. (S.) fifth, Elwood (S.) 17.1 sec. (S.) sixth, Cory (S.) 17.4 sec. (S.) seventh, Johnson (S.) 17.7 sec. (S.) eighth, Hughes (S.) 18.0 sec. (S.) ninth, Elwood (S.) 18.3 sec. (S.) tenth, Cory (S.) 18.6 sec. (S.) eleventh, Johnson (S.) 18.9 sec. (S.) twelfth, Hughes (S.) 19.2 sec. (S.) thirteenth, Elwood (S.) 19.5 sec. (S.) fourteenth, Cory (S.) 19.8 sec. (S.) fifteenth, Johnson (S.) 20.1 sec. (S.) sixteenth, Hughes (S.) 20.4 sec. (S.) seventeenth, Elwood (S.) 20.7 sec. (S.) eighteenth, Cory (S.) 21.0 sec. (S.) nineteenth, Johnson (S.) 21.3 sec. (S.) twentieth, Hughes (S.) 21.6 sec. (S.) twenty-first, Elwood (S.) 21.9 sec. (S.) twenty-second, Cory (S.) 22.2 sec. (S.) twenty-third, Johnson (S.) 22.5 sec. (S.) twenty-fourth, Hughes (S.) 22.8 sec. (S.) twenty-fifth, Elwood (S.) 23.1 sec. (S.) twenty-sixth, Cory (S.) 23.4 sec. (S.) twenty-seventh, Johnson (S.) 23.7 sec. (S.) twenty-eighth, Hughes (S.) 24.0 sec. (S.) twenty-ninth, Elwood (S.) 24.3 sec. (S.) thirtieth, Cory (S.) 24.6 sec. (S.) thirty-first, Johnson (S.) 24.9 sec. (S.) thirty-second, Hughes (S.) 25.2 sec. Coach Francis Daugherty's Franklin High basketball team made it four straight wins and finished in the second place with Hollywood by defeating Jefferson, 38 to 26, in a fast game played yesterday in the Democratic gymnasium. Jefferson's midge, the Franklin Babes, 20 to 5, in the preliminary game.

The score of the unlimited scrup was 9 to 9 at half-time, but in the second period the Kitefliers took the lead and finished strong, eight points ahead. Hanna and Stein started for the winners, while Rico and Neher featured for Jeff. Gannon was the star of the lightweight game. Line-ups:

Both Royd's parents were blind. So was his father. The young acted as the eyes at the old, caring for them and trying to ease them of their afflictions. Then love intervened. Paul and Irene were married, believing that their love for each other would not interfere with the discharge of their filial duties.

But time proved otherwise and without ostension the young couple

Later, perhaps, they will wed again, it was stated, in the meantime, they will devote their lives to their blind parents.

SCHOOL BUDGET  
CUT DISCUSSEDWomen's Club Members  
Hold Heated DebateSenator Johnson Defends  
Governor's StandDeclares Opponents Are  
MisinformedBY MYRA NYE  
"We are friends of the Governor," said Mrs. Johnson, "and we are all one family. We are good sports. We will be good losers if necessary. We have the Governor, our wants are

come together today that we may be even better friends of our Governor because we will be better informed concerning his program of economy."

These sentences coming at the close of a heated debate yesterday in a mass meeting in Morisco Theater were spoken with deep feeling by Mrs. John C. Urquhart, president of the Los Angeles district, California Federation of Women's Clubs, who presided. They were in reply to statements of Senator Burlingame Johnson of Pasadena, who was one man against seven speakers, the Senator speaking as the representative of Gov. Richardson. The debated question was the new State budget. In his letter sent in reply to the invitation of the federation to be present, the Governor said he was faced by the stern duty to keep the expenses of State government within the revenues.

"As is frequently the case," said Mrs. Johnson, "our wants are

greater than our revenues. To keep within them is only sound, common sense and good business. To go beyond them is unlawful extravagance." The Governor asked the women to consider the budget as a whole in connection with the revenues of the State and not to take separate items to consider without relation to the whole.

A. H. Herron, assistant to Will C. Wood, State Superintendent of Education, said that the law provides \$10 per year for each child and that it was not within the province of the Governor to change this provision. He further stated that in his belief the Governor did not know what he had done in this regard, that there had never been so large a cut for educational purposes. Referring, however, to the Governor's statement in his letter that education had not been crippled, but that an \$8,000,000 increase was appropriated Mr. Herron said:

"When it is \$8,000,000 we will

all be satisfied."

MRS. DORSEY REPLIES

Senator Johnson said that many of the statements made by the speakers preceding him were mis-statements. Mrs. Susan M. Dorsey, city superintendent of schools, replied that, whatever any one might say to the contrary, the public schools in this city from the fourth grade up to the intermediate are without geographies. Her phase of the subject was "Our Local Educational Needs."

Mr. Herron took up cudgels for Mrs. Dorsey when some one called from the audience, "What about those geographies bought seven months ago that don't tell that there is even a tablespoonful of oil in the whole State?"

He said: "Those are not primary geographies for the grades to which Mrs. Dorsey refers. And that is not a very good argument against

our need for geographies. Rather it is an argument for us."

Others who spoke against the budget included Miss Mary Workman in behalf of the Board of Charities and Corrections; Miss Elizabeth McManus for the Bureau of Social Hygiene, and Willis Morrison for the Industrial Welfare Commission.

The organization which joined with the federation in calling the mass meeting were: The League of Women Voters, the Federation of Colored Women's Clubs and the Alliance of Social Agencies. There were about 500 present.

Sale of Store  
Report Denied  
by Hamburger

M. A. Hamburger, president of A. Hamburger & Sons last night denied emphatically a report from New York City that the May department-store interests had bought the local department store.

An Associated Press dispatch said that Almer Schlesinger, attorney for the May Corporation, had announced the purchase of the Hamburger store for about \$8,500,000 and control of the long-term leases on the property occupied by the store at Eighth street and Broadway.

Mr. Hamburger said that the May interests had been attempting to buy the local store for four or five years. He said the offer was \$3,382,770.

cently had been renewed, but with no conclusion whatever, nor any in prospect. He was puzzled by the New York dispatch and could not guess the reason why Mr. Schlesinger had given out such information.

David May, president of the May Department Store interests, who is staying at the Huntington Hotel, Pasadena, also denied the report last night, saying that although negotiations had been under way there was nothing definite to report.

NEW CLUB CONTRACT  
IS NOT YET AWARDED

A statement published Thursday morning to the effect that the contract for the construction of the Friday Morning Club had been awarded to J. W. Johnston, local contractor, was in error. The contract has not yet been awarded, though bids have been received. Mr. Johnston submitted the low bid for the work. His estimate was \$332,770.

"SALOME" REVIVAD

"Salome," considered to be the best of Theda Bara's pictures, will be the attraction to follow "The Christian" at the Miller Theater tomorrow. This is a new and revised print of the famous vampire's success which caused so much comment when it was first released.

## CADETS MEET IN ANNUAL CONFAB

Delegates From Nine Schools at Fresno Meet

Preparedness Discussed by Army Officers

Committee Preparing Plans for Encampment

(SPECIAL DISPATCH) FRESNO, Feb. 23.—With delegates from nine high schools of the central part of the State the annual convention of the California High School Cadet Association was held last night and today in favor of preparedness and the military training of civilians by high officers of the United States Army and the California National Guard.

Col. Harrison Hall, chief of staff of the Ninth Corps Area, United States Army, representing Maj. Gen. Morton, Area Commander, spoke at the annual banquet of the association last night and again at a general session this morning.

"To be prepared for war is the most effective means of preserving peace," he said. "The United States has been prepared to fight before 1917 there probably would have been no World War." The draft showed, he stated, that 49 per cent of the men called were physically deficient and virtually 80 per cent were almost illiterate. A conference called by the Secretary of War November last decided, said Col. Hall, that these conditions can best be eradicated by carrying through the training plans of the Army.

Adjt.-Gen. J. J. Borree of the California National Guard said at his night banquet that the budget reductions proposed by Gov. Richardson will not stop the progress of cadet training in the high schools. Twelve cadets received from Gen. Borree sashes and belts, their insignia as commissioned and noncommissioned officers of the high school corps.

A committee today was working out plans for a general State encampment of cadets to be held each spring. The convention will close after election of officers tomorrow.

Have you heard about the "plaster" ball to take place at Hotel Coronado, March 17.—(Advertisement.)

## Y.W.C.A. Girls Entertain War Disabled Heroes

(LOCAL CORRESPONDENCE) REDLANDS, Feb. 23.—The young women of the Y. Club of the Young Women's Christian Association entertained twenty men from the government hospital at Arrowhead last night at the association building. The young men proved to be delightful guests and the dinner and entertainment that followed were greatly enjoyed.

The boys of the hospital made the trip in automobiles and left here at 8 o'clock. They are all ex-service men who are recovering from illness or injuries received during the war. The club girls were assisted in entertaining by the drama class of the high school. Members of the class under the direction of Miss Olive Smith gave "The Dear Departed," three in the cast being Edward Lewis, Beatrice Patterson, Elmer Bliss and William Peet.

## SERVICES PLANNED

Ojai Residents to Honor Memory of Edward Thacher

(LOCAL CORRESPONDENCE) OJAI, Feb. 23.—Memorial services for Mr. Edward S. Thacher will be held in the Ojai Presbyterian Church at Ojai Sunday afternoon, the 25th inst., at 2:30 o'clock. Friends are invited to be present.

The speakers will be Rev. George L. Marsh, Prof. Theodore K. Woolsey of Yale University, Prof. Leonard Bacon of the University of California, Hon. Marjorie J. Rogers of Ventura and Mr. Morgan Barnes of Ojai.

## OCULAR EXAMPLE GIVEN OFFICIALS

(LOCAL CORRESPONDENCE) SOUTHOATE, Feb. 23.—While the newly elected members of the Board of Trustees were busy last night considering the various items in the ordinance regulating the operation of motor vehicles, a crash was heard in front of the office in which the meeting was being held. The officials, rushing down the stairway and out into the street, found that an unidentified automobile had crashed into the machine owned by Mr. Macklin.

It was not until the discovery of an abandoned machine half a mile away, with no owner's name to identify it.

## GIRL SCOUT TROOPS FORMED AT VENTURA

(SPECIAL DISPATCH) VENTURA, Feb. 23.—Three troops of Girl Scouts, numbering several patrols, have been organized here under the leadership of Miss Marjorie Stone, a teacher in the grammar schools. Patrol leaders include Virginia Spafford, Bonnie Conklin, Elizabeth Chase, Alice Barr and others.

## VETERANS ARE FETED

(SPECIAL DISPATCH) ORANGE, Feb. 23.—Two hundred ex-service men attended a banquet given in their honor here last night by the Ladies Auxiliary, at which Buren R. Pitts, Los Angeles Post State Commander, was connected with the District Attorney's office in Los Angeles county, was the principal speaker.

## JURY REFORM IS ADVOCATED

Porterville City Council Favors Means to End Deadlocks

(LOCAL CORRESPONDENCE) PORTERVILLE, Feb. 23.—Porterville City Council has gone on record as favoring the proposed State constitution and penal code changes making possible conviction in criminal cases with two-thirds of a jury voting for conviction.

This action followed receipt of a communication from Los Angeles asking that the proposed changes be endorsed. It was pointed out that much time, money and delay would be saved, and that the "deadlocked jury" will in notorious criminal cases would be eliminated. The program endorsed is the same as that sponsored by the Los Angeles Crime Commission.

## Lightless Rig Causes Crash; Two Are Hurt

(SPECIAL DISPATCH) ONTARIO, Feb. 23.—Failure to carry a light on their horse-drawn vehicle today was declared responsible for injuries which may result in the death of Mrs. Joseph Casan of State street and several fractured ribs for her husband.

Their horse was struck last night when their rig was struck from the rear by a motor car driven by A. P. Harwood, 36-year-old owner of this section and president of the People's Mutual Building and Loan Association, on Ontario Boulevard last night.

Mr. Harwood was driving west on the boulevard and failed to see the unlighted rig in front of him traveling in the same direction because of the blinding headlights on another car moving east. The buggy was splintered in the crash and the occupants hurled to the pavement. The horse ran away and had not been recovered at last reports.

Mrs. Casan was picked up unconscious. Dr. C. Sheppard was called and the woman taken to the San Antonio Hospital, where her condition was reported serious. A small daughter of Mr. and Mrs. Casan was hurt through the air, a considerable distance, but escaped serious injury. Although Mr. Harwood's car was badly damaged he was not injured.

## CADETS INSPECTED

Porterville High School Boys Reviewed by Officers

(SPECIAL DISPATCH) PORTERVILLE, Feb. 23.—Col. H. R. Richmond of the United States Cavalry, stationed at Los Angeles, inspected Porterville High School cadets in military review this afternoon. After inspection, the reviewing staff, Col. Richmond, Commander Miller and Adjt. Frederick, accompanied by Dr. E. Lightner, commander of the cadets and officer in the local legion, inspected the Porterville rifle range.

## POMONA ENGINEER KILLED IN CRASH

CHARLES HOUGHTON DIES FROM INJURIES RECEIVED IN COLLISION

(SPECIAL DISPATCH) POMONA, Feb. 23.—Charles Houghton, 46 years of age, an engineer in the employ of the local Sanitary Laundry for the past eight years, died at Pomona Valley Hospital this afternoon from injuries received last night when the car he was driving collided with one driven by S. Barma of Pasadena.

There were no witnesses to the accident and details are meager. Ben S. Casey of Rialto was the first to arrive on the scene, and called Dr. H. H. Chamberlain of Glendora. Barma was slightly injured.

The body of Houghton was taken to the Todd & Reeves morgue, where it will be held pending inquest. No funeral arrangements have been made.

## WOMEN'S OPEN AMATEUR GOLF CHAMPIONSHIP AT CORONADO, FEBRUARY 24 TO MARCH 2. HAVE AGENT AT 111 SPRING STREET MAKE YOUR ARRANGEMENTS FOR ENTERING.—(Advertisement.)

## GET MURDER PLOT CLEW

Police Expect Arrest of Man Who Offered \$35,000 for Slaying of Long Beach Banker

By a "Times" Staff Correspondent

LONG BEACH, Feb. 23.—A definite clue to the identity of the man who offered David Mull of Denver, Colo., \$35,000 to put Robert D. Judkins, president of the First National Bank, out of the way, is in the possession of the police, it was announced today. An arrest is imminent, detectives working on the case stated.

Grilled again today by a number of detectives, Mull failed to deviate in the slightest particular from the story he told police yesterday regarding the offer made him to assassinate the banker. As a result, detectives said they are convinced that Mull's revelations are based on fact and declared that at 111 Spring street make your arrangements for entering.—(Advertisement.)

## CAULIFLOWER SHIPPED

New Industry for Porterville May Grow out of Tests

(SPECIAL DISPATCH) PORTERVILLE, Feb. 23.—Forecasting a new industry for Porterville, the local trial of cauliflower in the local market was started today by the J. W. Morris Company of Chicago.

The cauliflower was grown by Doyle colony and the Alta Vista district and is of superior quality.

## MINISTER TAKES UP ARCHITECTURAL WORK

(LOCAL CORRESPONDENCE) HUNTINGTON PARK, Feb. 23.—Rev. A. L. Baker, who has been connected with the Good Will Industries of the Methodist Episcopal Church in Los Angeles for some time, will take a position with the Rea & Garstang Company, architects, as the Huntington Park representative.

At the last Methodist Conference held at Fresno, Mr. Baker was assigned the Good Will position, leaving the church here as time will take a position with the Rea & Garstang Company, as well as being connected with this firm, until the next conference meets.

## CHANGE IN BANK FIRM REVEALED

Reports of Bakersfield Deal Confirmed; Fresno Men Said to be Purchasers

(SPECIAL DISPATCH) BAKERSFIELD, Feb. 23.—Reports circulated here yesterday and today to the effect that the National Bank of Bakersfield had been sold to Fresno capitalists were partly confirmed when word was received from W. D. Mitchell of the Valley Bank at Fresno that that concern had options on more than 75 per cent of the stock of the local institution.

Neither Fred H. Hall, president of the Bakersfield bank, nor J. Kelly Russell, the cashier, would talk publication of the deal, and that the "deadlocked jury" will in notorious criminal cases would be eliminated. The program endorsed is the same as that sponsored by the Los Angeles Crime Commission.

The principal owners of the bank are Fred H. Hall and E. D. Burns, well known Bakersfield citizens. President Hall was for many years chairman of the Democratic State Central Committee and has been a conspicuous figure in the development of cotton gin building and general farming for some years.

Word came from Fresno that a change in the personnel of the bank is contemplated. It is said that President Hall will continue in office, as will his associates.

The acquisition of the Bakersfield bank by the Valley Bank of Fresno gives the San Joaquin Valley chain under the general direction of President Mitchell of the Fresno concern ownership of seven banks, the entire chain being in the San Joaquin Valley. In common with the Bank of Italy and the southwestern chain, likewise emulating a prominent Sacramento banker who has acquired control of a number of banks, the Valley Bank feels that an extension of its resources will be a benefit to the community, where it is in control, enabling customers to receive prompt accommodation for financial transactions larger than any single bank could handle.

## Civic Plays to be Presented at Alhambra

(LOCAL CORRESPONDENCE) ALHAMBRA, Feb. 23.—Alhambra is to have its community plays and an organization has just been formed to produce plays.

Alfred Morgan has been named business manager of the players and Edwin Kennedy will be director. Several experienced players now residing in Alhambra have joined the organization and the first play will be presented in the near future.

It is the purpose of the Alhambra Community Players to interpret on the stage the progressive ideas which are making Alhambra one of the fastest growing cities in the south, and to devote the entire equipment in which is one of the city's greatest assets.

## EXTRADITE ACCUSED WOMAN DYNAMITER

KENTUCKY OFFICERS ARRIVE FOR SUSPECT IN BOARDING-HOUSE BLASTING

(LOCAL CORRESPONDENCE) SAN BERNARDINO, Feb. 23.—In the custody of Kentucky officers, Mrs. Isora McJilton, indicted on a charge of being a dynamiter, having been arrested after a transcontinental chase, will start back to Williamsburg, Ky., tomorrow.

Mrs. McJilton, wife of a strike on the Louisville and Nashville Railway, is charged with blasting a boarding-house at Williamsburg on 2nd inst., occupied by shop employees.

Thirteen employees were injured, four of them seriously, in the explosion.

## Record Number Attends Dinner of University

(LOCAL CORRESPONDENCE) REDLANDS, Feb. 23.—Two hundred and fifty students of the University of Redlands gathered around the tables in the dining room at the Casa Loma Hotel last night for the annual dinner of the school. It was the largest affair of the kind the school has ever reported.

The university dinner always follows the annual ditch day of the seniors. Yesterday the seniors disappeared from the hall of learning and were gone from early morning until late at night. They went to the hills for this evening. Then the chapel exercises at the University were featured by the first appearance of the seniors in their caps and gowns. They will wear them each Wednesday now until graduation.

Ernest Larson was toastmaster at the annual dinner this evening. President Victor L. Duke and others spoke. Announcement was made that the expansion program for the school is well under way, and the erection of more buildings will be carried on as rapidly as possible.

Polo at Coronado all next week and until March 20th.—(Advertisement.)

## FISH BOAT GAVE AID TO DISABLED YACHT

(BY A. P. MURPHY WIRE) SAN DIEGO, Feb. 23.—Assistance that the schooner yacht Elsie, owned by Capt. John Spiver of San Francisco, was at no time in danger after its fuel supply became exhausted a few days ago off the Lower California coast, was given today by Capt. John G. Fagan, pilot of the yacht, who arrived here from Ensenada by stage.

He said that the Elsie had got 100 gallons of gasoline from a fishing boat and was today en route from Ensenada to Los Angeles.

## "LADIES' NIGHT" PLAN MADE BY ROTARIANS

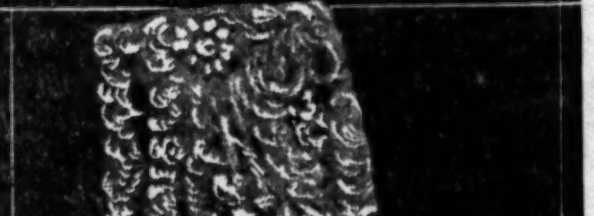

(LOCAL CORRESPONDENCE) HUNTINGTON PARK, Feb. 23.—The Rotarians have completed arrangements for ladies' night, which they observe the last Monday night in every month, and an excellent program will be given on Monday evening, at which time the first anniversary of the club will be celebrated. On the Monday following, the Rotarians will entertain Capt. Williams, official governor, who will make his official visit to the local organization.

## FIFTY-SEVENTH YEAR OF WEDLOCK PASSED

(SPECIAL DISPATCH) VENTURA, Feb. 23.—Mr. and Mrs. James Crothers are today celebrating their fifty-seventh wedding anniversary. Seven years ago the golden wedding was celebrated very elaborately at their fine home on the avenue. Both are still in good health. They have been residents of Ventura for many years.

## DANCER'S REMARKABLE RECORD

Misses One Performance in 2000

Miss Juanita Vigore

(LOCAL CORRESPONDENCE) SAN GABRIEL, Feb. 23.—The ancient mission town of San Gabriel is very much elated over the fact that one of its native daughters, Juanita Vigore, has just made a remarkable record in the history of the dramatic stage.

At the two thousandth performance of the Mission Play on Washington's Birthday, John Steven McGroarty, author, introduced Miss Vigore from the stage and informed the audience that she had participated in 1999 of the performance, missing only one of the complete 2000.

Miss Vigore's ancestors came with the first white Spanish pioneers to California in the year of 1769. Her people have lived in San Gabriel for a century and a half. In 1846 her grandfather, a soldier, was killed in the Mexican Revolution and she was a child at the time.

Miss Vigore is the premier dancer of the Mission Play. Dancing runs in her family. The Vigores are all good dancers and have been so for generations. The company has just made the purchase of the packing-house which has been used by the American Fruit Growers, and will use the entire house next year, the lease of the fruit company having expired.

The officials of the company are well pleased with the quality of the vineyard produced from this apples grown in the Tualupa Valley.

## Vinegar Plant at Redlands to Double Capacity

(LOCAL CORRESPONDENCE) REDLANDS, Feb. 23.—The industrial expansion of Redlands continues, for announcement is made today that the plant of the Jones Vinegar Company, established last fall, is to be more than doubled in capacity this summer.

Two new presses will be added to the equipment; also four 50,000-gallon tanks will be erected, and other machinery added. The capacity of the plant this year was 125,000 gallons of vinegar stock. Next year the capacity will be 300,000 gallons.

The plant is to be one of the most important in the chain operated by the company. It is planned to make apple cider and vinegar in the plant, and in another year or so a bottling equipment will be added. The plant will be producing more than 1,000,000 gallons of vinegar stock in a few years.

The company has just made the purchase of the packing-house which has been used by the American Fruit Growers, and will use the entire house next year, the lease of the fruit company having expired.

The officials of the company are well pleased with the quality of the vineyard produced from this apples grown in the Tualupa Valley.

## TULARE BACKS STATE NEW HIGHWAY PLANS

ASSEMBLYMAN TO INTRODUCE BILLS PROVIDING FOR TWO ROADS

(SPECIAL DISPATCH) VISALIA, Feb. 23.—Although desirous of favorable action at this time, Assemblyman Charles W. Cleary of Tulare county will offer two bills to the Legislature for two State roads, one from Ducor across through Earlimart and Alpaugh to connect with the Chalmers lateral, and another from Springville across the Sierras to Lone Pine, Inyo county.

By having these bills before the Legislature and presenting them, Tulare county will have established itself when time comes for another bond issue, as the bills would be very favorable, not only to Tulare county, but to the State at large. The road across the county from east to west would serve many persons and open a new artery, while the trans-Sierra road would open up the Kings River Canyon and give Inyo county residents direct connection with the valley.

Supervisors of Tulare county have endorsed the project.

## PUBLISHER PAYS FINE OF \$5000

E. W. Scripps Involved in Porto Rican Dispute

Large Assessment Follows Yachting Episode

"Sassing" Collector of Porto Proves Expensive

(SPECIAL DISPATCH) SAN DIEGO, Feb. 23.—A fine of \$5000 was levied on E. W. Scripps, publisher of a chain of newspapers and owner of the yacht Ohio, on which he and a party are making a trip around the world, for failure to take out an American consular bill of health and for hot words hurled at Collector of the Porto Moore at San Juan, Porto Rico, it became known today when Clarence Spriggs, Deputy Collector of Customs here, received Scripps' certified check for that amount.

The fine, it is said, is the heaviest imposed by the Treasury Department against a pleasure yacht in some years. Spriggs has forwarded the check to the Treasury Department and in the meantime Scripps' attorneys have been instructed to take the matter to court.

Explaining the incident at San Juan, Capt. Dixon said: "When the Ohio sailed from Havana for San Juan via Watlings Island, San Salvador and Nassau, we took out a British bill of health, as we were sailing for a British port first. At San Salvador our British bill of health was taken up by the British Consul there. The official certified that the health of all on board was good and we called for San Juan."

There the Collector of the port demanded a bill of health. We explained that the British Consul at San Salvador had given us a bill of health, and that any self-respecting Yacht skipper would have done the same under like conditions.

Explaining the incident at San Juan, Capt. Dixon said: "When the Ohio sailed from Havana for San Juan via Watlings Island, San Salvador and Nassau, we took out a British bill of health, as we were sailing for a British port first. At San Salvador our British bill of health was taken up by the British Consul there. The official certified that the health of all on board was good and we called for San Juan."

## BRIDE TO FIGHT HUSBAND'S SUIT FOR ANNULMENT

(LOCAL CORRESPONDENCE) SAN BERNARDINO, Feb. 23.—Elsie Iola Stockwell, bride and mother, whom Raymond W. Stockwell, Colton youth, vows he married under threats of her parents, does not want the ceremony annulled.

In a demurrer filed in the divorce court, the bride today asked that the suit of her husband for dissolution of the marriage be stricken out of court records. Yet the bride's father, who is the plaintiff, told by Stockwell is the startling denial of the parentage of his bride's babe. Stockwell claims he married the girl in Riverside last October only after her mother, Mrs. Anna Jewell, threatened criminal prosecution on a serious charge of kidnapping the child.

The bride, through her attorney, is preparing to fight the annulment suit in the Superior court.
